To access employee self-service from a non-Health Quest computer you will need a PC with Internet Explorer. Open Internet Explorer on your computer and complete the following two steps before logging onto employee self-service from your computer for the first time. Contact the HQIT Help Desk at (845) 483-6789 with any questions.

1 – Set health-quest.org to run in Compatibility View

- Select Tools
- Select Compatibility View settings
- Type health-quest.org
- Click Add
- Click Close
2 – Add health-quest.org to your Trusted Sites:

- Select Tools
- Select Internet Options
- Select the Security Tab
- Select Trusted sites
- Click the Sites button
- Type *.health-quest.org
- Click Add
- Click Close
